SOD'S FUTURE PLANS FOR ISRAEL

Though the nations may rage (Ps. 2:1), and we see an alarming rise in antisemitism throughout the world—even within elite progressive circles in the west—God's eternal plans regarding the nation of Israel **cannot** be thwarted! God called and established a covenant with **Abraham** (Gen.12:1-3) that was **unilateral, unconditional, and irrevocable** in nature (Gen. 15:1-21), promising Abraham's descendants an eternal (Deut. 4:40b), literal, and specific land-grant (Gen. 15:18-21) that is further amplified by Ezek. 47:13-23. The above map pictures the **Greater Israel** of our Lord's Millennial Kingdom—the head of nations (Zech. 8:20-23)!
